

Dear Members,

KPGA executive committee meeting held on 14th August 2020 through Google Meet decided to do relief work, especially to the financially poor students who are in need of smart phone for their online classes. The meeting also decided to collect an amount from the members towards the above objective. The interested members are requested to remit their contributions to the following official account of the Association as early as possible (preferably before 5th September 2020).
